## 88TH DIVISION VETERANS MEET

September 1, 2, 3 At Fort Snelling, Minn.

Twin City, Minn., Aug. 11.—"We can't all be winners, men, but every man of you has won first place in my heart." It was not at Fort Snelling, but at an 88th Division tournament in France that these words were spoken. But it is at Fort Snelling that thousands of boys who served in the 88th or Cloverleaf Division of the A. E. F. and were so addressed by their popular division commander, Major General William Weigel, will meet September 1, 2, 3 to renew old friendships.

Upon arriving at Fort Snelling each buddy will receive a Cloverleaf Reunion Badge, tickets to the Minnesota Fair, free sleeping accommodations at Fort Snelling in a barracks specially assigned to his regimental outfit, and a ticket which will secure him meals during the entire reunion at a total cost of \$2.00. Friday, September 1st will be devoted to registration and renewing acquaintances. Saturday, September 2nd the 88th will visit and parade at the Minnesota Fair, and Sunday September 3rd will be a Field Day of sports and general public celebration and entertainment with General Weigel and the governors of five Middle-West states as the guests of honor and the principal speakers. Aside from the happiness of meeting the buddies we fought, hiked, and soldiered with in Camp Dodge and overseas, a good time is promised for all.

### IT HAPPENED IN LEXINGTON

#### And Is Happening to Lexington People Every Week.

The case told below is not an uncommon thing. The same occurs frequently and will continue to happen as long as folks have kidneys and overtax the kidneys.

W. E. Tarlton, retired farmer, 2008 Main St., says: "I am a man past seventy-seven years of age. Years ago I was troubled a great deal with kidney weakness. Every muscle in my back was sore and lame and sharp twinges of pain would often catch me in the small of my back. My kidneys were weak and the secretions were highly colored and contained sediment. I read about Doan's Kidney Pills and bought some at Marshall's Drug Store. Relief soon followed and it was not long before Doan's Kidney Pills cured me up in good shape. I certainly think Doan's are a fine kidney remedy."

### Dollars and Cents.

Counting it only in dollars and cents, how much did that last cold cost you? A man may not always stop work when he has a cold, but perhaps it would be better if he did. It takes about ten days to get completely rid of a cold under the usual treatment. That time can be much shortened by taking Chamberlain's Cough Remedy and proper care of yourself, in fact, a bottle of this remedy in the house is a mighty good investment during the winter and spring months. Adv.

James Vickers of near Mayview, spent Saturday in Lexington on business.

Elmer H. White, who has been doing special work at the University of Missouri during the summer, returned home Saturday. He was accompanied by Mrs. White.
